AGENCY

OUR SERVICES

A boutique-style agency, providing support to a targeted and specialised talent pool from management to executive level. We are focused on the verticals that are revenue and 'change prevalent', utilising best practice, technology and innovation.

EXECUTIVE SEARCH

Providing the latest market research and industry insights to define and shape your senior management and leadership teams. Our consultants are supported by market-leading technologies, allowing for market- mapping and research capabilities on and offshore.

Gain stronger control over the executive search process and exclusivity over introduced candidates.

NON-EXECUTIVE SEARCH

We understand the constraints of certain businesses and the requirement for flexibility and speedy responses. We partner you in your search needs giving you access to tailored talent pools through new and traditional search methodologies.

CONSULTING

Acquire market intelligence, salary benchmarking, and internal benchmarking through our executive consulting division.

Explore strategies with our team, preparing and structuring your organisation's hiring process.

TALENT PIPELINE

Our senior consultants have worked closely with Boards to secure the top talent in their industry.

Our ongoing mapping services will ensure that you are updated on the availability of specific demographics and diversity in specific talent pools.

- MULTI AWARD WINNING AGENCY
- 300+ PLACEMENTS IN FIRST 24 MONTHS OF TRADING
- LEADING ASIA BOUTIQUE-STYLE RECRUITMENT AGENCY
- SENIOR ROLES PLACED ACROSS 14 COUNTRIES

OUR SPACE

We aim to be the global leader in providing talent across a select number of verticals, namely Strategy, Finance, Change, Technology, Corporate Governance, HR, Global Banking & Markets and Sales & Marketing.

FINANCE

Our finance department focuses on senior hires, globally. Our key specialisation, outside of partnering with multinationals, is putting key financial officers into positions within private equity backed portfolio businesses and venture capital backed entities.

SALES & MARKETING

Focused on mid to senior level recruitment, our industry knowledge and market insights span FMCG, travel and hospitality, professional services, retail, media and telecommunications.

STRATEGY & CORPORATE DEVELOPMENT

We are the APAC market leaders in providing opportunities for individuals with a Management Consulting or Strategy background. We have led assignments for the Sovereign Wealth Funds, Financial Services, Private Equity, Consumer Goods as well as Heavy Industries. We have had a strong track record for moving the alumni from the top- tier management consulting firms into senior positions across all sectors.

CHANGE

"Change is the only constant". Our team of consultants have a solid track record in identifying the right talent for our client's changing business needs across all industries.

TECHNOLOGY

Technology is becoming the driving force behind organisational transformation and growth. We have an exceptional track record across four main pillars: Agile Transformation & DevOps; Software Engineering; CyberSecurity and Data Engineering & Data Science; Product Management, Design and Innovation.

CORPORATE GOVERNANCE

With extensive experience and networks, our consultants are attuned to the demands and challenges of the changing regulatory landscape.

We provide Talent Management Solutions from traditional inhouse Legal Counsel roles to all associated disciplines spanning Compliance, Risk and Corporate Governance, Company Secretarial, Government Relations, Patent Attorneys, and Data Privacy Professionals.

We are committed to providing advice, sharing best practices, and searching for the best legal and compliance talents who will serve as key business partners to your organisations, whether on a permanent long-term basis, or for interim projects.

CONSULTING

With the legacy of our Change, Strategy and Technology verticals, our consulting and professional services team are able to connect you with the strongest talents in the market across all industries.

HR

As the commercial and economic climate evolves the HR function and its strategic value to the business continues to grow. We demonstrate a deep knowledge of the HR market and work in partnership with our clients to understand their specific needs and identify the right talent in the market.

We specialise in hiring mid - senior level HR professionals at a global, regional and local level and cover all industry sectors including Financial Services, Professional Services and Commerce. Our clients range from global multinational corporations to locally listed firms.

GLOBAL BANKING & MARKETS

Our Global Banking and Markets business unit is Headquartered in Hong Kong and uniquely focused on M&A, ECM, DCM, Research, Structured, Leveraged and Acquisition finance mandates.

We aim to be the number one provider in these areas and believe in providing the best service in 'specialist markets' rather than a generalist offering focused on one market.

Every client receives a tailored service based on their requirements, whether that be current hiring plans, talent pipelining, market Intel and career consulting. This is backed up with a quality research proposition (in-house and off-shore) meaning our success rate is the highest in the industry.

DISCOVER. ENGAGE. EVOLVE

We believe the recruitment landscape is changing, therefore we focus on its most current and increasingly prevalent areas.

Technology continues to marginalise junior recruitment and the senior workforce is increasingly mobile. Space Executive is continually innovating to ensure we excel in a changing landscape.
