

Bring your own resources

Have your own teaching ideas and materials ready on stand-by so you can make the most of every minute.

Get to know the children

It's a good idea to ask someone who's familiar with your class if there are any students who may find the change difficult that you will need to pay close attention to.

Familiarise yourself with the school

Take time to get used to the school's routines and culture such as timetables, writing styles, classroom rules and more.

Get to the school early

There will be lots of things to get used to, from school behaviour policy to locating the tea and coffee so best to be there earlier to get used to your new environment.
