4
Questions to Ask Yourself
Before Your Job Search

1

What **kind of role** would represent a sensible step towards your **long-term career goals?**

2

What **technical and soft skills** do you have? What are you **looking to develop?**

3

What kind of **culture and work environment** would you like **to join?**

4

What might your **'deal-breakers'** be?
What are you prepared to **be flexible** about?
