

# 5 Things to Check Before You Say Yes to the Job

## ✓ **Scope**

Do the responsibilities of the job match up with your strengths and interests? Even a well-paying job can get old quickly if you don't genuinely enjoy the day-to-day work.

## ✓ **Salary**

Money is an important consideration. Take careful note of the level of income and benefits which you need, want and deserve.

## ✓ **Mission and Culture**

How well does your future employer's culture blend with your own personal values? What is the work / life balance like?

## ✓ **Location**

Where will you be based? In our new normal and depending on the industry, certain roles may be office-based, remote, or a hybrid of the two.

## ✓ **Future Opportunities**

Looking to move up within your field? Learn what a typical path of progression is like in your new role so you can know how to strategise your career.
