Volunteer with Suncare

Supporting non-profit organisations like Suncare is a terrific way to get involved in your community, regardless of age, culture, location or circumstances. Volunteers who willingly give their time to help support the community find they can make a real difference in other people's lives and feel the personal benefits of sharing their skills and enthusiasm while enjoying new social and cultural experiences.

So what's involved?

As a Suncare volunteer you will work with compassionate like-minded people who share your drive to help people to feel empowered in their homes and neighbourhoods.

Whether you have a couple hours a week or a few days a week, we will match your availability and skills to a fun and fulfilling volunteer role.

- **TRANSPORT** - drive customers to appointments/shops/shopping bus trips
- **COMMUNITY VISITOR SCHEME**- visit someone at home for social interaction
- **HOME MEAL DELIVERY** - deliver fresh meals to customers' homes and assist in the Suncare Meals on Wheels kitchen with food preparation
- **SOCIAL SUPPORT** - assist customers enjoying group social activities in our centre and the local community
- **FLEET CAR CARE** - car washing, cleaning
- **CENTRE SUPPORT** - administration, maintenance, networking
